Dear

One of the major highlights for the Senior Class of 2010 is the anticipation and realization of a mission trip for our class trip this school year.

Recognizing the seriousness of the times and the soon return of our Lord, we wish to make a greater impact upon our world and, yes, upon our own lives while having a memorable time in the process. We have chosen to participate in a mission outreach project to Panama with The Quiet Hour from April 4 through April 15, 2009. We have plans to do a construction project, evangelistic series, Vacation Bible School and a medical clinic.

Since logistics do not allow the Senior Class to take all of you, we are requesting that you support and send us. To raise \$1,350 per person is a **HUGE** undertaking. Our class has already been working for three years doing fundraisers and all types of work projects to raise money for our trip. **To make our dream come true we will need your help!** Amazingly, building materials and all other supplies are able to be purchased with the money raised, along with our trip expenses.

We are making every effort to have all funds raised by February 28, 2010, so necessary reservations can be completed. If the Lord impresses you to financially assist us in this project, we will be most grateful. If for some reason we are unable to go to Panama, donated funds will still be used for a mission trip in or out of the United States. Whether you are able to help financially or not, please keep the Senior Class in your prayers as we prepare for our mission trip and for our place in the Lord's work.

Sincerely yours,
