

## Taking the ACT

Why test at Highland Academy?

The number one reason is because we have applied for, and been granted, the ability to test on Sunday for religious reasons. Most testing sights will only offer the test on Saturday.

Highland Academy offers the ACT **TWICE** per school year: one each semester. Madison Academy, a 20 to 30-minute drive from Highland, also offers Sunday testing and does have more frequent testing dates. If you would like your child to test more than once in this school year, you can look at Madison Academy as an option. Please be aware that if testing at Madison, *we cannot guarantee transportation to these tests, and they often interfere with our Highland calendar.* Please make arrangements accordingly.

To register for the ACT:

- Use the chart above for registration deadlines
- Go to [ACTstudent.org](http://ACTstudent.org)
- If your student has not tested before, account registration and set up will be required. **KEEP THE ACCOUNT INFORMATION.** These accounts are based off of the student's social security number and other pertinent information. They will not allow a student to make more than one account.
- Registration can take as long as an hour or more so schedule your time accordingly.
- Do not worry about signing up for the Saturday date given. They will change it in their system when they see that you have registered for our testing site or Madison Academy's testing site.

### ACT Test Prep Classes at Highland Academy

All enrolled students currently have access to the ACT Prep courses offered at Highland Academy. They can log in and watch the videos, take the quizzes, and prepare themselves for the test. Seniors are enrolled in an ACT Prep class. Additional supports, such as work sheets and videos on how to work the problems are also available. They can log onto [OnToCollege.com](http://OnToCollege.com) and get started or supplement what they are already learning in class.
